

Naturally Beautiful Gifts this Christmas

Skincare collections that
brighten, smooth, and pamper.

Christmas Gift Guide 2025

Celebrate this Christmas with
skincare and aromatherapy gifts for
glowing skin and a soothed mind.

From luxurious formulations that hydrate and
brighten to aromatic aromas that relax and restore,
our Christmas Gift Guide showcases over 60 years
of expertise in professional skincare and essential oils.

Each gift set is carefully curated and exclusively
available through your Eve Taylor therapist,
complete with beautiful festive packaging.

“ Having spent nearly a century
exploring the wonders of aromatherapy,
I’ve discovered that the most treasured
gifts are those that truly care for the
body and mind. A soothing candle,
a nourishing cream, or a ritual that lifts
the spirit—these are the presents that are
remembered long after the wrapping is
gone. This Christmas, give with thought,
give with love, and let every gift bring
comfort and joy.”
